Subject: Re: BroadReach April NAV and wire confirmation

Brenda,

I really need your help!!

You have not replied to any of my calls or 6 texts requesting an update over the last 2 weeks. This is causing me and my investors a massive amount of stress. Moreover, my reputation is getting destroyed since I have no updates to offer anyone. I know you are working on selling one of the bonds you described. That said, it would be very helpful if you provided an update to the transaction you have in process.

Specifically:

- what security are you trying to sell (you listed a few) with an account statement showing you own it
- a Broad Reach account statement showing the funds assets
- when do you expect the closing?
- when do you expect to send out the wire?
- is there anyone I can speak with who can confirm these transaction details with me so I can report back to my investors that I have validated this with a 3 party

Please understand I need SOMETHING I can share with more detail.

This is urgent.

Thanks,
Ariel

Brenda,

Today's the day!! We need the wire confirmation by 3pm EST so the bank can make any wire cutoff time they may have. Please be advised I have shared with my investors your commitment to get the wire out today and have been given until end of day today to get a confirmation to everyone. Failing which, I have been told that at least 2 will proceed to file complaints with the SEC and FINRA against Broad Reach and perhaps Nottingham as well.

Please understand I am not threatening. I am just relaying the message I have received from my investors stemming from their deep frustration. You have had months to prepare for a May 15 wire date that you and your attorney have confirmed. The wire is now 2 weeks late and you have missed each of the 3 delay deadlines you have offered. I cannot contain this anymore. End of day today or this is out of my control....

Please get that wire out today and email us written wire confirmation.

Brenda,

Both Christel and I have been trying to reach you without success. The wire is now 2 weeks late and each small delay you advise us of, passes without any notification or update from you. Our investors are now calling us daily and the pressure for us is rising. This situation is simply not acceptable. You are forcing us to escalate this and I truly wish you would not put us in this position. Our relationship does not need to end like this.

PLEASE ISSUE THE REDEMPTION WIRE TODAY AND SEND US CONFIRMATION. If you are unable to do so, I need to understand why and have a person who can speak with to confirm the funds are available and delayed for whatever reason.

I am not sure how much more clear I can be.
